Our Superintendent

A fartunate thing happened eleven years ago when Mr. Eldon Ready maved to Griffith to fill the past of our high schoal principal. Since that time Griffith schools have experienced their greatest grawth. A new one millian dollar high school has been built. A site has been purchased far a new elementary schaal to be built within the next year.

Mr. Ready received his undergraduate degree at Indiana State Teachers College, and his master's degree at the University of Chicago. Well-qualified far his jab, he has just campleted his secand year as superintendent af Griffith schaals.

Mr. Ready has exerted much influence upon the cammunity, the teachers, and the student. He enjays and deserves all the respect shawn him.

Everyone is very thankful to have someone as efficient and yet as understanding as Mr. Ready. We all hape ta refer to him as superintendent of aur schaals far many years to come.

Our Principal

Although this yearbook mirrors the last activities of the 1958 graduating class, it will reflect only the beginning of many memories for our new principal, Mr. Clint R. Kelly.

From the very first day he has continued to show his wonderful qualities of leadership, friendliness, and concern for the students, and the ability to smoothly administer the functioning of Griffith High School.

Before coming to Griffith this year, Mr. Kelly had experience as a high school principal. Nevertheless, his dealings this year have been with entirely new faces and personalities, and he has certainly met with everyone's approval.

Certainly one of the many reasons he has been so well-accepted, especially by the students, is his high regard for the well-established traditions that have been built up here at Griffith. Any minor changes that may have been made have only resulted in decided improvements.

We only hope that Mr. Kelly is, and will continue to be, pleased with our student body and everything connected with Griffith High School. We all extend our wishes for his continued success.

School Board

SEATED: William Rist, Secretary; Jesse Sheets, President; Dr. L. J. O'Toole, Treosurer. **STANDING:** Jack Hilbrick, Attorney; Albert E. Turner, Architect; Eldon Ready, Superintendent.

According to the Indiana constitution, education is a function of the state. The locol boord of school trustees represents local people, and therefore, the state of Indiano in conduct and organization of its public schools. The boord formulotes school policy, levies taxes to support schools, ond in all other ways legolizes the estoblishment and operation of schools at the local level.

We feel our Griffith School Board hos done an admirable job in planning new buildings ond acquiring a competent staff ond administrators. Membership on the school board entails many hours of plonning in the areas of school policy and finance. The student body ond the entire community are indebted to the boord of school trustees for their excellent leadership.

Panthers Win Conference Championship

The 1957 Panther "Hurrying Harriers," coached by Carl Sanders, grabbed the conference title for the third straight year. Hampered by flu, the Panthers went into the Conference race hopeful, but not over-confident, against seven teams. Two runners, Dick Greene and Dave McDermott, won gold track shoes by finishing in the top seven. Dick Greene also took individual honors winning the Conference championship in 10:11.

Panthers Have Best

Coach Richard Beck, with the most powerful team in Panther history, piled up an 8 and 2 record. Their losses came at the hands of mighty Hobart 32 to 13, and Calumet Conference Champion Wirt, 28 to 6. In our opening game we ran over Lowell for 300 yards on an offensive exhibition by Tom McGee and defeated them 21 to 6. Against Portage we again topped the 300 yard mark and were sparked to a 28 to 14 win by Lewie Miller and Bob Wakefield.

Dean Eichstead and his Hobart crew virtually turned the Panther defense inside-out in their 32 to 13 win. Tom McGee sparked our team with two T.D.'s and great running.

In our closest game of the year against East Gary we sprouted water wings to edge out a second half 13 to 7 win. Rich Beiriger swam for 67 yards and a T.D. to lead our attack.

In our next three games we mauled Merrillville 46 to 0, Dyer 31 to 6, and Calumet 40 to 14. We were led to victory on these three occasions by Joe McGee's passing to Carl Zarndt, Bob Wakefield's kicking, and Tom McGee's eight touchdowns.

In our bid to win the conference title, the Panthers, minus Lewie Miller and Tom McGee for half the game, were turned back by Gary Wirt 28 to 6.

Bob Mack and Joe McGee led the Panthers to a 20 to 13 win over Crown Point. We were without the services of 5 starters, but nevertheless we edged out a 4th quarter win.

In o surprisingly gaad shawing agoinst Edisan we defeoted them 35 to 13 with aur secand string unit playing most of the game. Bob Wokefield and Rich Beiriger were the tharns in Edison's side by combined scoring af 19 paints.

When the All-Canference Teom was chosen, Jae McGee, Corl Zorndt, ond Dick Nyquist finished high in the vating with Jae ond Carl making the first teom and Dick the secand. The seasan's statistics shaw thot the tatal affensive yardage was daminated by Joe ond Tam McGee with Joe Beating Tam by one yard—888 ta 887.

Corl Zorndt wos the best man in the posses caught deportment with 16, but Tam McGee caught 8 and scared 6 tauchdowns.

Bab Wakefield led the punters far o 17 punt average af 31.4 yards. He alsa converted 20 of 33 extro paints far a 60% overage.

In rushing Tam McGee again led with 618 yords and o 5.06 average. Lewie Miller came in second with 394 yords ond a 6.15 averoge, fallowed by Joe McGee with 255 yards and a 4.75 overage.

Scaring was led by Tom McGee with 66 paints on 11 T.D.'s. He wos fol-lawed by Lewie Miller with 42, Bab Wokefield with 32, Dan Turley with 30, ond Jae McGee with 25.

Our Clubs and Organizations

STUDENT COUNCIL is the student government at G.H.S. All clubs must submit a constitution to the Student Council to become an authorized club in school. At the end of the year each club must hand in a list of its accomplishments. Student Council set up new dress habits for G.H.S. students. Each year it takes charge of the "March of Dimes," buys and decorates a Christmas tree for the main entrance, collects clothes and food for a needy family at Christmas, and sets up rules for vacating the building during fire drills. Representatives to the Student Council are chosen from each homeroom.

THE NATIONAL HONOR SOCIETY is primarily a service club. This year it compiled and now sells a student handbook. Students being considered for membership are voted upon by the teachers on the basis of scholarship, leadership, character, and service.

CADET TEACHERS help the teachers in the classroom. They are students who have expressed a desire to become teachers. Cadet teaching gives them a sampling of all the phases of teaching and helps them to better decide whether or not teaching will be their lifetime profession.

THE FUTURE TEACHERS OF AMERICA, in the 1956-57 school year sponsored a carnival, The Easter Program, gave a college scholarship to a member, donated to the Emerson Benbow Fund, and visited another school. In November, 1957, they were hosts for the Lake County Round-up.

THE Y-TEENS donated to the Emerson Benbow Fund and gave clothes and food to a needy family at Christmas in 1956. This year they gave a Christmas party for Bethany Children's Home, had a display and talk about kitchenware, and sponsored a semi-formal dance on February 1.

THE JUNIOR CLASSICAL LEAGUE was formed in 1957 to stimulate interest in Latin. Membership requires at least one year of Latin study. It sold 250 "Indiana" front license plates and held a Roman Banquet to relive Roman times.

THE PHOTOGRAPHY CLUB in 1956-57 sponsored two photo contests and visited Hammond City Photo. This year it sold ice cream bars. Members learn the developing and printing of films and the use of camera equipment.

THE DRAMATICS CLUB often attends plays, operas, and ballets. In December it performed an excerpt from Macbeth for some classes.

THE MATH CLUB promotes interest in mathematics. Its members learn the practical applications of that subject. They discussed the various uses of a slide rule and many mathematical problems.

THE BOOSTER CLUB was formed in the 1956-57 school year to create and boost school spirit. It provides transportation to games, formulates cheers, actions, the seating of members at games, and publicizes the team. It was in charge of the G.H.S. cheering section in the 1958 sectionals.

THE VARSITY CLUB, In the past years, has sponsored a trip to the "Big Ten" football game in Champaign, Illinois for the members. The Varsity Club also has charge of Homecoming entertainment at half-time, sponsors the soc-hop afterward, sponsors Dad's Night for football and basketball, sells jerseys, and sells programs at games. Members and their fathers saw a movie of the 1957 Indianapolis 500-mile Race. The Varsity Club sponsored its annual semi-formal dance in November. The qualifications for membership were changed from earning two minor letters to one major letter.

THE MARCHING BAND presents many fine formations and military maneuvers for all home football games. It serves as a pep band at most of the home basketball games. Marching for community parades and entering the Marching Contest where a first division for five years has been won, are annual events.

THE CONCERT BAND provides music for various school assemblies and special programs. This band presents three concerts every year—The Christmas, Winter, and Spring Concerts. In the past five years, this band has won four firsts in the State Band Contest. Individuals or groups of band members enter the district and state solo and ensemble contests every year. The Concert Band was host to the University of Michigan Concert Band this year.

An annual Band Banquet, sponsored by the band parents, is held each spring to honor the band members.

THE CHORAL organizations present two concerts a year, one at Christmas and one in the Spring. They sing in the annual district and state contests. Every Christmas, the Choir and Mixed Ensemble sing at Minas' in Hammond. In the 1956-57 school year, the Choral organizations performed an operetta, "Down in the Valley." Candy bars were sold last year to pay for their robes and this year to buy seated risers. Along with the Band they furnish entertainment for the P.T.A.

On December 14, the GAA presented its annual Winter Formal in the G.H.S. Gym. It was evident the GAA members and Miss Beanblossom spent many hours preparing for the dance. Music was played by Mickey Isley. The theme, "Silver Bells," was carried through in the elaborate white, blue and silver decorations. A rooftop and church steeple containing bells decorated the stage.

Marlene Dubrovich sang "Silver Bells."

Many parents watched the festivity from the balcony. This year's formal was one of the most successful ever held.

what's their future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.
